For craft and gardening clubs we will be asking for a one off small contribution of £5.00 per child.

Please could you tick or highlight the appropriate place on this form and return it **by Monday September 8th** if you would like your child to participate in a club.

I would appreciate it if children could choose activities for the year as this will help us in compiling the clubs register.

We would appreciate help from parents in running clubs especially for Christmas crafts, patchwork, clay modelling, gardening, board games, lego, chess, patchwork, rounders, football and netball. Please could you fill in the attached slip if you are able to help with a club.

Thank you for your support.
